

PTCA of San Diego invites members and the public

13th Annual Fruit Tree Pruning Workshop and Field Day

Saturday January 15, 2022 8:00 AM- 2:00PM

Come join us at The Stein Family Farm in National City for this hands-on demonstration and in the field practice to increase your skills and knowledge of deciduous fruit tree pruning. *This workshop requires your participation in pruning of these trees.*

Workshop Leaders: Kurt Peacock, Consulting Arborist

Dave Ephron, Arborist, One Tripp Tree Service

Program: Matt Smith, Arborist, Smith Family Tree Service

- We will meet at 8AM for coffee and light refreshments
- A discussion of tools and their care/usage- Proper pruning techniques
- Status and needs of deciduous fruit at the Stein Farm
- A brief overview of the “must do” tasks and timing to insure best care for and results from your fruiting trees and shrubs. Included are fertilization, insect and disease identification and IPM
- Hands on pruning of the trees at the farm until 2 PM

What to bring: Hand Pruners, Loppers, Handsaws and gloves. Field attire & shoes

Registration includes: Lunch, refreshments, handouts and CEU hours arborist & tree worker. Please indicate if you are a vegetarian for lunch preference
